The reference list must adhere strictly to the APA 7th Edition style and be arranged in alphabetical order. For citations sourced from Thai publications, authors must append '(in Thai)' at the end of the respective reference entry. Additionally, if source material from any other non-English language is cited, the relevant bibliographic information must be translated into English, with the exception of proper nouns, which must be transliterated; such entries must conclude with '[in original language]' (e.g., '[in Japanese]').
